

Module 5 Infant and Toddler Development

- Skills-based training

Course Objectives

After completing this course, participants will be able to demonstrate the following when working with families. Service Coordinators will:

1. Identify developmental milestones of infants and toddlers from birth to age three.
2. Respond accurately to questions regarding infant and toddler development.
3. Identify sources that can provide disability specific information for families.
4. Assist the family in locating appropriate early intervention services and resources.
